

The first National Collegiate meet was in 1921. Since that time the USC track team has perform remarkably winning 29 times and finishing in the top ten another 57 times. No university can match the history & tradition that USC has done in collegiate track & field. There was no national meet in 1924 and the '25, '26, and '27 meets were not scored. The following is USC's year-by-year finish at the NAAs.
