

# San Gabriel Valley USC Alumni Club

## Scholarship Program

There are many ways to support USC and one way is through your Alumni Club here in San Gabriel Valley. Donations made to USC via the SGV Club are awarded to new, in-coming students to USC from the San Gabriel Valley.

Prospective students must attend an interview arranged by the SGV Club and attend USC in order to receive a club scholarship. Your donation to our scholarship program will be used solely for scholarships and not for any club functions or expenses.

You will receive a letter from the USC Club of the San Gabriel Valley acknowledging your donation amount for tax purposes.
